

# Florence High School Football

## Sponsorship Banners

“We are Tradition, We are Florence”

Please sponsor the 2022 Florence Gopher Football Team! Running a first-class football program like ours takes a lot of time and energy from players, coaches, and parents but none of it is possible without community support. Your donation ensures that our student-athletes will continue to have the best tools and equipment available to help them perform at their highest level. The donations help our student-athletes go to football camp up north in the summer, purchase football equipment, provide before/after game day meals, t-shirts, and so much more. Thank you so much for your support and helping to carry on the Florence Traditions.

Please contact Coach Hart with any questions.
